DAYS OF LIFE CHANGING HELP GIVEN TO FAMILIES IN NEED TO END GLOBAL POVERTY  
(Our goal is 1 Billion by 2030)

POWERED BY OUR PARTNERSHIP WITH GLOBAL GIVING INITIATIVE - BUY1GIVE1 (BIG1.COM)

**Inspiring Business for Good Podcast** - inspiring stories and strategies of businesses that exist for Good. The good of the world, their clients, their team and their founders.

The goal is to deconstruct how inspirational business leaders (like yourself) make an impact, and ultimately prove that businesses who do good, do better.

Of course, this approach really helps the listener get what you do so hopefully will attract some opportunity. As well as inspire others to make a bigger impact.

It's an easy 40-ish minute audio only Skype interview that is recorded and aired through iTunes

What I'm about is really getting into the force multipliers, the high value / high impact stuff around -

- Effective Giving
- Business model design
- 'Vision, Mission & Values' led growth
- Impact at scale
- Revenue, Profit & Cash drivers
- Attracting top talent
- World class Leadership
- Leaving, Living and Leveraging a Legacy.

Because I believe that GOOD IS THE NEW GREAT ... and that in 2019+ if you aren't making an impact, you shouldn't be in business.
